PROFESSIONAL KARLEEN

With the content that prepared against hair loss, makes hair care and reduces spillage.

The series that specially formulated for colored hair, protects your hair color while taking care of your hair.

Rehabilitates your hair that has a dry appearance and lost its moisture balance. It provides a vital and bright image again.

Thanks to specially prepared content including bamboo extract, it helps your hair to grow faster by caring for your weak and brittle hair.

This series which prepared for all hair types, provides the care that your hairs daily needs and maintains the moisture balance of your hair.

Provides a healthy and vibrant appearance again by effectively caring for your damaged hair.

It prevents the tone difference and turning orange in your hair. Provides a natural appearance again.

Thanks to the content which is prepared salt-free, it cleans your hair while provides daily care.

Thanks to the content which has Horse Tail Extract, reduces hair loss while providing faster and healthier hair growth.

With the sulphate-free content which has natural cleansing agents, it provides an effective cleaning without damaging your hair.

The shampoo that prepared for hair with dandruff, nourishes your hair follicles and scalp while cleansing your hair from dandruff.

Thanks to its dense formula, it wraps around hair strands and prevents frizz and static hair.

KARLEEN Shine Serum is used for having smoother and more shiny hair.

Thanks to the content which is prepared salt-free, it cleans your hair while provides daily care.
